

Call for candidates and save the date - Oxalis Community

2023 Annual Plenary Meeting

In preparation for the Oxalis Community 2023 Annual meeting, to be held on

Friday November 10th. 2023,

NORSTELLA calls for candidates for the Oxalis Management Team.

Size and structure of the Oxalis Community Management as follows:

The Oxalis Community Provisions allows for between 3 – 9 members for management of the Oxalis Community.

The previous year the Oxalis Community Management Team consisted of 5 members, with 3 (including the Chair) of the members terms ending at this upcoming Annual Plenary Meeting.

As the Chair and remaining 2 members were elected for 2-year terms at the 2021 Annual Plenary Meeting, all three candidacies for election at the 2023 Annual Plenary Meeting will be eligible for 2-year terms.

We encourage all members to consider applying as candidates, so that together we can ensure a good development for Oxalis going forward.

Save the date:

A formal meeting invitation will be distributed to all members Wednesday October 11, 2023. By accepting the invitation, you will receive all background documents. The documents will also be made available at <http://oxalis.network> four weeks prior to the meeting.

On behalf of the Oxalis Management Team
